Thank you for contacting me with your procedural questions. I believe the Chairman will have me issue a Notice of Clarification today, and I believe that will answer all of your questions and alleviate any concerns regarding the timing of this workshop docket. Because this is not an adversarial proceeding, there is no requirement for formal requests for intervention. You are certainly welcome to participate and the Chairman and myself will look forward to your participation and any suggestions you may have.

If you should have any additional questions, please do not hesitate to contact me. I can also be reached at my office at (573) 522-8459.

Subject: AO-2008-0192 Questions

Judge Stearley:

I am an individual citizen (not a lawyer) and desire to submit statements, comments, and proposals, etc. and participate in the Roundtable associated with AO-2008-0192. Although I've been involved in PSC proceedings on numerous occasions, I have previously participated as a member of a group with legal representation. In this matter I am attempting to participate as an individual, but don't know whether I am required to file a request to participate as an Intervener or what other processes I may need to be aware of and follow.

Can you please tell me what, if anything, I need to do in order to be allowed to participate? I did file a motion to defer earlier and plan to submit prepared materials and attend the Roundtable.

Thanks,

Julie Noonan
